CHECKLIST

WHAT SPARTAN HEALTH SCIENCE UNIVERSITY HAS AND OTHERS
(DON'T KNOW...PLEASE CHECK...BEFORE CHOOSING)

SR. NO.	CHECKLIST POINT	SPARTAN HEALTH SCIENCES UNIVERSITY	OTHERS SCHOOL	REMARKS
01	Government Permission	Yes	Most of them may have	It's just a permission to run business. This doesn't mean your degree is valid.
02	WHO / IMED listing	Yes	Most of them may have	After government permission, any college will get listing
03	Permission to practice in country where the school is located.	Yes You can download list of Spartan students doing internship in St. Lucia from residency list of last 7 years uploaded above	Please check. Not many colleges have this. Ask for list of students doing internship or practicing as doctors.	You can practice as doctor only if the college has accreditation. Only Government permission does NOT allow you to practice as doctor.

SR. NO.	CHECKLIST POINT	SPARTAN HEALTH SCIENCES UNIVERSITY	OTHERS SCHOOL	REMARKS
04	CAAM HP Accreditation	<p>Yes</p> <p>Latest Update : Spartan got CAAM HP accreditation for three years till 2022</p>	Please check	<p>CAAM-HP IS AN ACCREDITATION BODY IN CARIBBEAN LIKE MCI IN INDIA.</p> <p>TAKING ADMISSION IN A CARIBBEAN MEDICAL COLLEGE WITHOUT CAAM HP IS LIKE TAKING ADMISSION IN AN INDIAN MEDICAL COLLEGE WITHOUT MCI.</p>
05	Will you be able to Practice in India	Yes (Because Spartan qualifies points 1 2 and 3 of this list)	<p>Please Check. MCI list may not be updated. Please read the terms of MCI above the list. It is a mandatory requirement by MCI that a foreign Medical Graduate can practice in India only and only if he/she is allowed to practice in the country from where he/she has completed his/her medical degree.</p>	<p>Many schools may not have this as they may qualify point 1 and 2 but they don't qualify point 3 and don't have accreditation.</p> <p>Check MCI requirements from visiting the MCI website link below :-</p> <p>https://www.mciindia.org/CMS/information-desk/for-students-to-study-in-abroad</p> <p>Para 3 first 3 lines</p>
06	IS THE COLLEGE BUILDING AND CAMPUS OWNED BY THE COLLEGE	<p>YES</p> <p>5 Acre multimillion dollar campus</p>	Please check	<p>Many colleges are operated in rented buildings. They may shut shop and run away. Decide if you want to put your career at risk with a medical college which doesn't even have own campus and is operating on a rented property.</p>

SR. NO.	CHECKLIST POINT	SPARTAN HEALTH SCIENCES UNIVERSITY	OTHERS SCHOOL	REMARKS
07	How Old is the college	39 years	Please check	<p>Most of them are established in the last decade and many since just 2-5 years.</p> <p>Decide if you want to experiment with your career and future with an inexperienced college</p>
08	Number of Graduates	More than 2400	Please check	<p>Beware of propaganda here. Some consultants might show you WDOMS list to compare. Number of Students enrolled in any particular year and number of Students Graduated in any particular year can't be same in any table. Number of Students enrolled in year 2015 means number of students who got admission in year 2015. Number of Students Graduated in year 2015 means number of students who passed out or graduated in year 2015..these students would have taken admission 5 years before in Year 2010.</p>
09	Alumni list	<p>Yes. Ask us to provide or check here https://www.spartanmed.org/alumni/active-physicians/</p>	Please check	<p>Alumni or Graduates of a particular college play a very important role in helping fresh graduates get better opportunities.</p>
10	Residency Match list of at least last 5 years	<p>YES ask us to provide or download residency list of last 7 years here.</p> <p>http://www.zordha.com/quick-information-at-a-glance/</p>	Please check	<p>Most colleges will not give this list with fake and ridiculous explanations. We provide list of students with their names, which hospital they got Residency/PG in and in which branch. Most colleges don't provide this as either no one from the college got residency or just 1 or 2.</p>

SR. NO.	CHECKLIST POINT	SPARTAN HEALTH SCIENCES UNIVERSITY	OTHERS SCHOOL	REMARKS
11	No. of Classrooms	7 for MD Building 9 for pre-med Building	Please check	Many colleges are operated in rented places. Many don't even have 2 class rooms.
12	Library	YES, with capacity of 120 Students	Please check	Many don't have Libraries.
13	Simulation lab	Yes	Please check	To learn Clinical Skills and to prepare you for USMLE Step 2 CS Most schools don't have this.
14	Skills Lab	Yes with 20 stations	Please check	To learn communication skills, develop professional skills, and learn clinical skills. To prepare you for your best performance during Clinical Rotations in USA Hospitals and USMLE Step 2 CS Most colleges don't have this.
15	Standardized Patients (SP's) incorporated in curriculum	YES	Please check.	To prepare you for your USMLE Step 2 CS Most colleges won't have this.
16	Auditorium	Yes, with capacity of 200	Please check	
17	Separate Pre-med building	Yes with capacity to accommodate 600 Students with cafeteria and library and computer room	Please check	<p>AS per accreditation standards of CAAM HP and LCME, Pre-Med Students and MD Students must not share the same academic facilities.</p> <p>So a college that does not have separate premed and Medical building, may face problems with accreditation.</p> <p>Many schools are run in rented premises. Most schools do not have separate Pre Med and Medical Buildings.</p>

SR. NO.	CHECKLIST POINT	SPARTAN HEALTH SCIENCES UNIVERSITY	OTHERS SCHOOL	REMARKS
18	Sports Ground	Yes, tennis court, volleyball court, basketball court, cricket and football ground. (Check our Student life here) http://www.zordha.com/student-life/	Please check	Recreational facilities are must for Students. All work and no joy makes Jack a dull boy. Without recreational activities, students find it hard to thrive. They need sports to feel active. Can't expect this from medical schools that are run in rented buildings. Most don't have this.
19	Students Recreation Center	Yes, 3 storey separate Building with student association offices	Please check	Most colleges don't even have student associations. Can't expect this from colleges who cannot afford their own building and are run in rented buildings.
20	Gym	Yes. Fully equipped	Please check	Most don't have this.
21	Aerobics rooms	Yes	Please check	Most don't have this.
22	Yoga room	Yes	Please check	Most don't have this.
23	Laboratory	Yes. Anatomy (Dissection on human cadavers), Microbiology, Histology. New Gene lab for research Building is also ready	Please check	Most don't have this. Some big good universities also don't allow students to do dissection on human cadavers. Please check. Dissections on human cadavers is one of the most important aspects of learning Anatomy.
24	Low Student to Faculty ratio	Yes, 1 faculty/8-10 Students	Please check	Most colleges just have 3-4 faculties. Please check the actual number of professors or lecturers in a college. Not just the one uploaded on website. Check how many are full time / tennure and how many are part time

SR. NO.	CHECKLIST POINT	SPARTAN HEALTH SCIENCES UNIVERSITY	OTHERS SCHOOL	REMARKS
25	Examination centre	Yes, NBME approved	Please Check	<p>NBME is the board that also conducts USMLE exams. All exams of Spartan from MD1 are given by NBME. Hence, students are prepared from their first trimester.</p> <p>Most colleges are not approved by NBME Board.</p>
26	Computer room	Yes, with capacity of 45 systems	Please Check	
27	Transport service	Yes-free, provided by Spartan	Please Check	Most don't have this.
28	Hostel facilities	Yes, by Zordha Education in partnership with Spartan. North and South Indian pure vegetarian and non vegetarian food is available	Please Check	<p>Most don't have Indian chefs. Most don't have hostels. Many rent apartments at far away cheap places from the college. Check the distance between college and hostel.</p> <p>Check if transportation facility is available.</p> <p>Check if transportation is free or at an additional cost. Check the cost.</p>
29	Practice in California	Yes, Spartan Graduates can practice as doctors in California. Ban period was till 2015. 5 Spartan graduates are already practicing ad doctors in California.	Please Check	Beware of False and fake Propaganda.

SR. NO.	CHECKLIST POINT	SPARTAN HEALTH SCIENCES UNIVERSITY	OTHERS SCHOOL	REMARKS
30	GMC, UK	Yes, our graduates from 2009 can practice in UK	Please Check	<p>Spartan gives 80 weeks of clinical rotation that makes our graduates eligible to practice everywhere in the world</p> <p>Most colleges would only give 72 weeks of clinical rotations to cut cost and hence their graduates are ineligible to practice everywhere in the world.</p> <p>Check how many weeks of Clinical Rotations aswell.</p>
31	Are CLINICAL ROTATIONS IN ACGME APPROVED TEACHING HOSPITAL IN USA (Very Important)	YES. ALL Clinical Rotations offered by Spartan IN USA are in ACGME APPROVED TEACHING HOSPITAL	Please Check	<p>Most colleges would offer cheap observership.</p> <p>Your degree won't be valid if you do observership. Also, you won't get Residency/PG in USA if you do observership instead of Clinical Rotations in ACGME approved Teaching Hospital.</p> <p>Check the difference between ACGME APPROVED Clinical Rotations AND OBSERVERSHIP here.</p> <p>http://www.zordha.com/faq/</p>
32	Are the Clinical Rotations Green Book	YES. All Clinical Rotations offered by Spartan IN USA are Green Book rotations and in ACGME APPROVED TEACHING HOSPITAL	Please Check	<p>Most colleges offer cheap observership with no hands on clinical experience as opposed to Green Book Clinical Rotations in ACGME APPROVED TEACHING HOSPITALS IN USA.</p> <p>Know What are Green Book Rotations Here.</p> <p>http://www.zordha.com/faq/</p>

SR. NO.	CHECKLIST POINT	SPARTAN HEALTH SCIENCES UNIVERSITY	OTHERS SCHOOL	REMARKS
33	List of Clinical Sites in USA	YES. Please ask us for the list of hospitals or check them here.	Please Check	<p>Most offer cheap observership. They won't provide you the list. Many have just one clinical site. At times, it may become important for student to do Clinical Rotations from multiple hospitals to increase the chances of getting Residency/PG.</p> <p>BEWARE of people giving list of hospitals where students can only do elective rotations. Ask for list of hospitals where students can do Core Rotations with actual cost for that site.</p> <p>Many would name big hospitals like Johns Hopkins where students won't be allowed do Core Clinical Rotations.</p>
34	Support structure for Indian students	Yes. Extensive	Please Check	<p>Most colleges don't. Most consultants wouldn't even pick up the phone after enrolment and after they get their money.</p> <p>TRUST US. YOU WOULD NEED SUPPORT.</p> <p>WITHOUT IT IT, DIFFICULT TO SURVIVE LET ALONE THRIVE !!</p>

We hope this list helps students and consultants alike. Most consultants do not do any research and don't care about the students. All that they care about is the money they would make of the students.

They would enroll students to any college that would give them commission. Most consultants care about number of enrolments and care absolutely nothing about the students and the consequences the students would face if they select a fraudulent or bogus or an inappropriate medical college.

Hope this list brings some awareness and consultants stop playing with the lives and career and future of students and students also start asking pertinent questions.

It doesn't matter how many students a particular consultant may enroll. What matters is the service and support after enrolment. Most consultants won't pick up your call after enrolling you in a college; they would become forever busy for you and busy to fool the next herd of students to some college which is paying them money.

Choose you college and you consultant wisely, intellectually and with awareness.

This decision cannot be taken arbitrarily cannot be made by hearsay.

We check for after sales service when we invest even a meager 5 lakh rupees in a car. All of us check if the company has after sales service and how good or bad it is.

You are investing in your education, your future, your career to transform your potentiality to actuality.

TRUST US. Without support structure you would find it extremely hard to survive let alone Thrive!!

Unlike most consultants who recruit students to every college that pays them commission, we recruit students to just one college - Spartan Health Science University, which we have found to be the best option for Indian students through extensive research of over 2 years and then 5 years of experience in enrolling students to Spartan health Science University.

This helps us focus all our attention to students that we recruit to Spartan Health Science University.

Your doctor would never give you an option that you may choose from any 5 different medicines to treat or cure your ailment or disease. Your lawyer would never tell you that you may use any of the 5 given options as arguments to win the case in a court of law. Your doctor would categorically tell you the best medicine to treat your problem. Your lawyer would give you or fight with the best argument(s) to win your case.

Expect the same professionalism from your Education Consultants. Education Consultant should tell you categorically about the college where you would find the best opportunity to shape your future.

Doctors and lawyers would charge you consulting fees but they would also take responsibility.

Don't go to Education Consultants who would just charge you consulting fees with ZERO responsibility. These are just admission facilitators who are duping students, taking advantage of them at the cost of the student's future and career. These so called admission facilitators will not stand by you or help you when you would need any support. They have just given you 50 different options 50 different colleges to choose from; all options where they could make money from with not the slightest care about the students; many times with outlandish and ridiculous misinformation just to earn a quick buck.

We at Zordha Education don't count the number of enrolments. We celebrate the students who blossom. We are with the students and the parents at every step of their education from enrolment to graduation to when they get PG and beyond.

We share Love, Light & Laughter and promote education in its true sense.

Please visit here for the list of services we offer.

<http://www.zordha.com/services/>

For Reference of the students we have enrolled:-

Please go to the facebook page of Spartan Health Science University and find any of the over 237 Indian students we have enrolled to Spartan Health Science University.

Connect with any one of them and ask about our reference. You may go ahead and ask them if Dr. Ishan Mehta, CEO, Zordha Education was ever not available for them or busy for them.

Warm Regards.

Love, Light & Laughter,

Dr. Ishan Mehta

CEO

Zordha Education
