***Programme placed on Probation for three years, 2019-2022***

---

### **July 2019 Determination: *Programme placed on Probation for three years, 2019-2022***

---

This was the third full accreditation exercise for Spartan Health Sciences University School of Medicine. The visit took place March 23-30, 2019 and involved a visit to the main campus in St Lucia and clinical affiliates in the US. The site visit team members were:

1. Professor Minerva Thame (Team Chair)
2. Dr Paula Lashley (Team Secretary)
3. Dr Sandra Reid

The CAAM-HP at its meeting held July 25-27, 2019 considered and accepted the site visit report of the *ad hoc* site visit team.

**Decision:** The Authority, having carefully considered the site visit report, was unable to grant a further extension of provisional accreditation, having exhausted the maximum period allowed for this category of accreditation. The Authority therefore determined that the programme be placed on Probation for three (3) years, 2019-2022.

CAAM-HP expects the school to submit annual progress reports to demonstrate efforts, supported by evidence, to address the areas of concern identified in the report.

### **July 2017 Update**

---

The 2017 progress report from Spartan Health Sciences University School of Medicine was presented to the CAAM-HP at its meeting held July 20-22, 2017. The Authority considered and accepted the report.

The meeting noted that there were a number of issues that the school indicated had been addressed but did not provide any supporting documentation. In addition, the management of the clerkships at The University of the West Indies remained a challenge. The Authority noted that the next full site visit is due in 2018.

### **July 2016 Determination: *Provisional Accreditation extended, 2016-2018***

---

---

This was the second full accreditation exercise for Spartan Health Sciences University School of Medicine. The visit took place November 14-21, 2015 and involved a visit to the main campus in St Lucia and clinical affiliates in the US. The site visit team members were:

4. Professor Jim McKillop (Team Chair)
5. Dr Damian Cohall (Team Secretary)
6. Dr Shamdeo Persaud
7. Dr Ian Sammy

The CAAM-HP at its meeting held July 27-29, 2016 considered and accepted the site visit report of the *ad hoc* site visit team.

**Decision:** In the light of the issues cited in the report, the Authority decided to extend Provisional Accreditation for another two (2) years from 2016-2018.

The Authority also noted several areas of partial and substantial non-compliance with accreditation standards.

CAAM-HP looks forward to receiving the annual progress reports indicating efforts being made to address issues cited in the site visit report and in its letter. Failure to comply would result in a redetermination of accreditation status.

The Authority asked that all promotional material, electronic or otherwise, accurately reflect the institution's current accreditation status.

## July 2014 Update

---

The CAAM-HP at its meeting held July 28, 2014 considered the progress report of the School of Medicine in response to its letter of October 12, 2013. The CAAM-HP noted that efforts were being made to address the issues raised.

CAAM-HP looks forward to receiving the documentation, including staff contracts, in preparation for the visit in 2015.
